Re: *New York v. U.S. Department of Education*, No. 1:20-cv-4260-JGK (S.D.N.Y.)

Dear Judge Koeltl,

As referenced in the accompanying letter, enclosed is a true and correct copy of the certified administrative record in the above-listed case, together with an index thereto. Please follow these directions to access the files on the enclosed set of CD-ROMs:

- (1) The Administrative Record production disks contain one encrypted zip file per disc named "Final AR Prod 01 VOL01.zip" for VOL01 to VOL07.
- (2) Save the encrypted zip file to a hard drive or network drive before attempting decryption.
- (3) Double click on the encrypted file saved to hard drive or network and enter the password (Fin@LAR!2020) and location to save the output. The zip file containing the PDF and Native production should then be decrypted.
- (4) Use WinZip or 7Zip to unzip the file. Using Windows Explorer or a generic unzipping application will likely cause errors.

Sincerely yours,

/s/ Benjamin T. Takemoto
